

county or the end of the late planting period. You must have been unable to plant the insured crop due to an insured cause of loss that has prevented the majority of producers in the surrounding area from planting the same crop.

(x) *Sample*—at least 3 pounds of shelled corn representative (field run) for each variety of seed corn grown on the unit.

(y) *Seed company*—a company which contracts with a grower to produce or grow for the production of hybrid corn seed.

(z) *Seed production*—all seed with a germination rate of at least 80 percent (80%) on a warm test using clean seed.

(aa) *Service office*—the office servicing your contract as shown on the application for insurance or such other approved office as may be selected by you or designated by us.

(bb) *Shelled-corn*—the grain (corn) after its removal from the cob.

(cc) *Tenant*—a person who rents land from another person for a share of the crop or a share of the proceeds therefrom.

(dd) *Timely planted*—the insured crop planted by the final planting date, as established by the Actuarial Table, for the insured crop in the county to be planted for harvest in the crop year.

(ee) *Type*—the crop grown: i.e., corn.

(ff) *Unit*—all insurable acreage of the insured crop in the county on the date of planting for the crop year:

(1) In which you have a 100 percent (100%) share; or

(2) Which is owned by one entity and operated by another entity on a share basis. Land rented for cash, a fixed commodity payment, or any consideration other than a share in the crop on such land will be considered as owned by the lessee. Land which would otherwise be one unit may be divided according to applicable guidelines on file in your service office. Units will be determined when the acreage is reported.

Errors in reporting units may be corrected by us to conform to applicable guidelines when adjusting a loss. We may consider any acreage and share thereof reported by or for your spouse or child or any member of your household to be your bona fide share or the bona fide share of any other person having an interest therein.

(gg) *Variety*—the seed produced from a pair of genetically identifiable parents.

#### 19. Descriptive Headings

The descriptive headings of the various policy terms and conditions are formulated for convenience only and are not intended to affect the construction or meaning of any of the provisions of the contract.

#### 20. Determinations

All determinations required by the policy will be made by us. If you disagree with our

determinations, you may obtain reconsideration of or appeal those determinations in accordance with Appeal Regulations.

#### 21. Notices

All notices required to be given by you must be in writing and received by your service office within the designated time unless otherwise provided by the notice requirement. Notices required to be given immediately may be by telephone or in person and confirmed in writing. Time of the notice will be determined by the time of our receipt of the written notice.

22. Notwithstanding the terms of the crop insurance policy and any contract for crop insurance under the provisions of this part, coverage under the terms of such crop insurance policy will be effective subject to the availability of appropriations.
